Dear Grantee Newsletter Member

Hope this email finds you all well. The Partnership for Children & Youth (PCY) and the Los Angeles County Office of Education (LACOE) Expanded Learning Technical Assistance Unit are excited to release, [*Sustaining Expanded Learning Programs: A Manual for Implementing Family Fees*](#). This manual is the culmination of over a year of information gathering from dozens of expanded learning programs from across California - *thank you all for your support and contribution to the development of this resource* - that have successfully leveraged family fees to enhance the quality and sustainability of their programs.

This manual aimed at program administrators and leaders considers if and how to implement family fees. No need to reinvent the wheel; this manual walks you through the key considerations and lessons learned.

I want to do a shout out to the following folks in LA County who were contributors to this manual:

- Becky Schultz, Whittier City SD;
- Tia Dwyer, Think Together; and
- Tom McFadden, Monrovia School District.

Please share this resource with your networks and on social media as useful. If you have any feedback or questions, do not hesitate to reach out to us.

Want to learn more? Attend the workshop we will be presenting at BOOST on this topic. We look forward to seeing you there!
