HELLO! We are excited to be partnering with you and your team this year to bring high-quality expanded learning programs to the students you serve.

As there are always changes each academic year, I want to be sure that you are aware of a very important series of meetings that we have for Superintendents, Asst. Superintendents, ASES and/or 21st CCLC Grant Managers and Program Directors to keep you in the loop on the changes happening within Expanded Learning! There are 3 face to face meetings per year and 3 webinar meetings [we know the issues of traffic in LA County].

We want to make sure you sign up for the first face-to-face meeting, which is scheduled for September 14, 2018. Below are the details:

REGISTRATION: <http://aspire.lacoe.edu/>, then go to the Events tab:
<http://aspire.lacoe.edu/event-type-groups/county-advisory-committee-meetings>

If you have not created a profile in our system, you will need to do this first by following the easy instructions on the website.

Here is a preview of some of the items that will be covered at this meeting:

- Information on the new funds to offer coding in expanded learning programs
- An update on what is planned for this year to try to get an ASES increase
- Information on NO COST resources for your sites: Reading Buddy Program (in conjunction with AARP); student personal safety (in conjunction with National Center for Missing and Exploited Children); student and family overall safety (in conjunction with Rocket Rules)
- Staff Development for your Site Coordinators, Program Director and Grant Managers including: Every Monday Matters Training; Site Coordinator Leadership Institute; Site Coordinator Continuous Quality Improvement (CQI) training; Science, Technology Engineering, Arts, and Math (STEAM) Communities of Practice (COP)
- MUCH, MUCH MORE

REGISTRATION IS REQUIRED AS WE NEED TO ORDER BREAKFAST AND HAVE MATERIALS READY FOR YOU. SIGN UP TODAY! [In fact, why not sign up for the entire year and get them on your calendar.]

Looking forward to seeing you in a few weeks.
