

YOUTH MOBILE FESTIVAL  
**SCIENCE+TECH**  
**MEETS MOBILE**  
SEPTEMBER 12-14, 2018  
LOS ANGELES CONVENTION CENTRE

Join over **9,000 students and educators** from across Los Angeles and the rest of California at the **YoMo STEAM festival**.

YoMo is an interactive, hands-on showcase of science and technology that's designed to bring classroom learning to life - helping students learn about the exciting and rewarding career opportunities in these sectors.

Following its huge success in Barcelona and Shanghai, YoMo is coming to the Los Angeles Convention Centre **September 12-14, 2018**.

**Registration is free and is open to all 6-18 year old students, their teachers and education professionals in Los Angeles and California.**

### Why should your school group attend?

- Our show floor is over 50,000 sq ft of eye-popping, hair-raising science and technology - delivering a huge range of STEAM content in a fun and engaging atmosphere.
- Your students will interact with over 50 universities, research centers, institutional bodies and business & industry leaders from the STEAM industry.
- It's the ideal chance to learn about the academic pathways and careers choices available to them.
- We provide structured educational resources for teachers, helping to engage students beyond the day of your visit.

### Register your school group now!

School group registration opens in May. Find out first when registration opens by signing up for updates now.

### About us

YoMo is a global not-for-profit initiative with the mission to inspire future generations about STEAM (science, technology, engineering, arts & design and mathematics).

YoMo is an event of Mobile World Congress in collaboration with CTIA on behalf of the mobile telecommunications industry and in partnership with **arc experience**.
