Subject: 21st Century Final Intent to Award

To: Applicants for 21st Century Community Learning Centers Programs

The Expanded Learning Division (EXLD) is pleased to announce the final award posting for the [21st Community Learning Centers Program](#) and the [After School Safety and Enrichment for Teens Program](#) available on the California Department of Education (CDE) Web site.

Each year, the EXLD holds back reserve funding until all appeals have been exhausted. Due to the availability of reserve funding and increased Federal funding for fiscal year 2018, the EXLD was able to fund additional sites based on their priority status. Those sites are listed on the final award posting.

The final funding results are available on the CDE Web page [Funding and Fiscal Management](#).

Congratulations to all 2018–19 grantees and best wishes for a successful program!

Thank you,

Expanded Learning Division
