Quality Standards Roll Out - Support Group Calls/Webinars Offered Monthly
We are hosting a series of "Support Groups" each month, one each for Grant Managers, Program Directors, and Site Coordinators. These calls/webinars will begin with a 20-minute focused presentation on Quality and then be followed by a 40-minute conversation among participants and facilitator(s). This will be a unique opportunity for staff to join a conversation of interest with others without having to travel.
