

Need employees?: As you may remember we shared that the WAG recommended we rethink our TA strategy around employee recruitment as the job fairs were not as effective as they have been in the past; and gave us some direction as to how to move forward, we have done this and here is what is available to you:

The College Career Connections data base which is a listing of colleges and universities within Los Angeles Country.

The data base lists the following: College/university name; address; career center contact person and information (if applicable); career center web link; job posting web link; information about job fairs (if applicable); and if the college/university has offers a teacher credential program.
