

Because learning doesn't stop after school

# Power up kids' summers: Promote kids activities online!

### ***Do you want to:***

- Increase the number of kids in expanded learning?
- Serve disadvantaged families?
- Offer an easy-to-use online activity guide?

### ***Launch a city-wide directory of children's programs!***

InPlay is a non-profit that helps school districts and communities connect families with out-of-school programs.

We offer a low-cost solution that makes it easy for parents to find hundreds of after-school activities, summer programs, and scholarships.

### ***Help parents impact kids' lives!***

- Discover local and affordable programs
- Access online and via mobile devices
- Read in Spanish or Chinese
- Get free meals & bus passes

### ***Don't worry—we'll take care of the work!***

InPlay gets your city website up quickly and manages all program data collection. Check us out: [InPlay.org](http://InPlay.org)

Let's talk: [rod@inplay.org](mailto:rod@inplay.org) or call **650-246-9976**.

*Our partnership with InPlay strengthened our overall summer learning systems, enabling more families to get connected with a wide variety of summer programming across the city.*

— Julie McCalmont, Oakland Unified School District
