

Use your voice to advocate for what you believe in!

14th annual CA Afterschool & Summer Challenge May 14-15, 2018 | Sacramento, CA

Join us for the 14th annual California Afterschool and Summer Challenge, the **only event of its kind** that brings together hundreds of afterschool and school-age care providers, families and youth to share their stories of **why afterschool and summer programming for youth matters**.

California policymakers need consistent reminders of the importance of OST programs – your voice is needed!

Help **Save Afterschool** for the 400,000+ students that experience and benefit from these programs every day!

For more information, visit www.calsac.org/get_involved/advocacy_challenge or contact Charnelle Ruff at cruff@calsac.org or 510-444-4622 x105.
