Dear Site Coordinators:

Flyers with details in English and Spanish

If you can get local officials there let Laura know!

We are currently fighting to raise state funding for afterschool and protect the programs that our communities rely on and we need your help.

*Join our coalition of supporters at **Los Angeles City Hall on Friday, May 10 from 9 - 10 am** to rally for an increase to state afterschool funding. We need every person we can get to send a loud and clear message to the state legislature and governor that afterschool programs matter. A big turnout is critical to our success in this campaign.*

More details can be found in the attached flyer and you can RSVP [here](#). The rally is free and open to the public - please spread the word to your colleagues, family, and friends. We look forward to seeing you there!

Please don't hesitate to reach out with any questions. Thank you for your partnership in the fight
