

Celebrate Lights on Afterschool 2015!

October 22, 2015 is [Lights on Afterschool](#). Each October, millions of Americans in thousands of communities across the nation celebrate afterschool, expanded learning programs that keep kids safe, inspire them to learn and help working families. Commit to celebrating Lights on Afterschool in your expanded learning program. [Register your celebration](#) and be counted with the thousands of nationwide celebrations. In doing so you will help to illustrate and celebrate the importance of expanded learning programs while also helping California lead the nation in celebrations. Access [ideas for your celebration](#), an [event planning kit](#), and [invite legislators](#) and other municipal leaders to your celebration to highlight the importance and success of your expanded learning program. **Start planning your celebration today!**
