

# K-8: Come Learn About... Clever Crazes for Kids

**October 7**

---

Check In: 8:30—9:00

Training: 9:00—11:00

*Registration required, limited seating*

The workshop will be taking place in a computer lab so you can see, experience, and play within the worlds just as your participants do. Once you experience Clever Crazes you will want to get started at your site too! With Clever Crazes...every week there is something to work towards! **Great opportunities to win money for your program and supplies too.** Come learn more!

## **FREE STEAM Resources and Activities for your Program**

Join us as we show you how e-learning can impact your educational setting. CleverCrazes.com is FREE, FUN, and EXCITING! This is a perfect supplement for your afterschool program. **CleverCrazes.com** worlds focus on a **theme-based, interdisciplinary approach to standards-based curriculum** providing exciting ways to encourage young people to think about **real world applications of science, social studies, language arts, and math.** Students grades **K-8** experience multiple benefits by pairing learning with games. Come join the Clever Crazes movement, **spaces are limited so sign-up today!**
